

# 1200+ Infographics Pack (Videohive 39627367) - AE Project

2025-02-10 16:42:02 label 我要反馈 下载页面

The **1200+ Infographics Pack** is an extensive bundle offering over 1200 infographic elements across 33 categories, allowing users to create, customize, and combine various charts quickly and efficiently.

## How can users create, customize, and combine different charts quickly and efficiently?

They can design their project using the "1200+ Infographics Pack" in After Effects.

The kit includes a wide range of chart types, from standard Bar, Line, and Pie Charts to specialized Box plots, Kagi/Candlestick Charts, and Trendlines. Users can control values within After Effects or via CSV files, making data editing straightforward with tools like Excel.

## "1200+ Infographics Pack" Samples:

**Key features** include fully customizable elements, expression-based control without keyframes, easy animation duration control, resizable resolution, and no plugin requirements. The project supports After Effects CC 2015 and higher, with CSV compatibility from CC 2020 onward. A detailed tutorial and universalized expressions ensure usability in any language version of After Effects. The kit includes an array of specific charts, such as Vertical and Horizontal Bar Charts, Round Charts, Pie Charts, Area Charts, Venn Diagrams, Waterfall Charts, Radar Charts, and many more, along with additional icons, map markers, clocks, timers, and customizable callouts. Users can request additional charts if needed.

## Package information

This After Effects project, last updated on September 29, 2022, and published on September 12, 2022, is compatible with After Effects CC and includes universal expressions, resizable resolution, and After Effects project files.
