Watercolor Essentials: Fun with Paint Swatch Color Guides: If you're new to watercolors and eager to familiarize yourself with your paints, this class is tailored just for you!

Discovering the true colors of your paints can be a delightful journey. Sometimes, the hue on a paint label or the appearance of dried paint doesn't accurately reflect how it will appear on paper. By the end of this class, you'll have mastered the art of creating your swatch colour guides, ensuring that you can confidently predict how your paints will behave on paper.

Throughout this class, you'll delve into the following:

- The significance and practicality of swatching your paint.
- Essential steps for preparing to swatch your paint.
- Four engaging methods for swatching paint.

This class promises to equip you with a valuable skill you can repeatedly apply. You'll embark on a creative journey with newfound confidence and precision by gaining a deeper understanding of your paints.
