Sci-fi Futuristic HUD Logo Reveal - AE Project Videohive 30204250: That is my newest After Effects project document. It is a lively literary hi-tech technology futuristic emblem show.

- CC12 & over appropriate
- No more plug-ins needed (Optical Flares have been Pre-rendered but added record is included for people who possess the plugin and Wish to alter it.)
- HD resolution (1080p)
- Six-thirds leave presets
- Useful movie tutorial showing how to edit The template.
- Eeasy setup -- personalize in a moment!
