**Broken Scanner Photo Effect - 91914591:** Introducing a game-changing photo effect tool designed to elevate your images and photography to mesmerizing, high-quality masterpieces with just a few clicks. This product includes two high-quality PSD files featuring Smart Object layers, which ensure complete customization and an effortless working process. The files come in 4500x3000 px and 3000x4500 px resolutions at 300 dpi, suitable for both landscape and portrait orientations. To use, simply open the required layer, replace the placeholder with your graphics, save, and watch the transformation unfold on your Photoshop artboard. Enhance your final design with adjustable features for that perfect finishing touch. A comprehensive help file is included to guide you through each step, making this tool accessible for users of all skill levels.
