

125+ Paper Cut Hand Drawn Arrows (Videohive 52789547) - AE Project

2025-02-10 16:50:48 [label](#) [我要反馈](#) [下载页面](#)

The **125+ Paper Cut Hand Drawn Arrows** After Effects template is a versatile and dynamic collection designed to enhance video projects with creativity and flair.

How to creatively design your project with arrows using templates in After Effects?

You can use "125+ Paper Cut Hand Drawn Arrows" to design your project.

This pack features over 125 unique hand-drawn arrows with a paper texture, fully customizable to suit various needs. Each arrow can be reversed, effectively doubling the creative options. Customization options include adjusting colors, path width, arrow tip size, stroke width, and duration. The template is ideal for promotional videos, motion graphics, and social media campaigns, providing tools to add an artistic touch to videos. It supports Full HD resolution, includes a video tutorial, and is compatible with After Effects CC.

Package information

Updated on June 19, 2024, and compatible with After Effects CC, this release includes After Effects Project Files to enhance your creative workflow.
