#### Digital Art Typography for After Effects VH-53578706:

Digital Art Typography is an After Effects template designed for creating dynamic text animations, ideal for intros, titles, and text effects in various digital projects.

It includes geometric shapes, hand-drawn elements, and anime-inspired figures, perfect for social media content and promotional videos.

The template features unique, fast-paced animations, full color controls, and a 2D calligraphy style.

It requires no additional plugins and is compatible with After Effects 2021 and above.
