Sam Smyers Serum Bass House Collection Vol. 1 (MIDI):

Introducing a diverse collection featuring 50 cutting-edge bass house presets meticulously crafted for Xfer Serum, accompanied by 50 MIDI files.

This collection showcases a fusion of presets inspired by prominent artists like Skrillex, Martin Garrix, Knock2, Habstrakt, and more. Drawing influence from Skrillex's latest tracks, known for their impactful bass elements, as well as Martin Garrix's STMPD-style productions characterized by unique and powerful leads, this pack offers a distinctive blend of basses and leads tailored for bass house enthusiasts.

Included are 50 meticulously designed presets, encompassing both bass and lead elements, providing everything you need for your bass house productions. Additionally, you'll receive 50 MIDI files that served as the foundation for the audio samples, offering a source of inspiration to spark creativity for your upcoming tracks!
