Painting Skin Tones: Draw Stylized Mini Portraits and Create Color Palettes in Procreate: If you're enthusiastic about crafting character mini-portraits but find the challenge of mixing colors and painting realistic skin tones a bit daunting, I have the perfect class for you!

In this fresh and exciting class, we'll dive deep into the intricacies of crafting stylized character portraits while honing your skills in color mixing and achieving authentic skin tones.

Key Highlights of the Class:

- **Character Mini Portraits:** Starting with simple shapes, this class ensures you don't feel overwhelmed. By beginning with the basics, we aim to alleviate the frustration of aspiring to perfection right from the start.
- **Color Mixing & Skin Tones:** Say goodbye to the struggle to determine the ideal skin tones colors. I'll share valuable insights on blending darker and lighter tones and guide you on navigating the realm of cooler and warmer colors.
- **Value Understanding:** Exploring values will empower you to make informed decisions about color combinations, adding depth to your creations.

Who Can Benefit from This Class?

- **Beginners:** If you're new to Procreate, fear not—I'll guide you step by step through the process.
- **Intermediate and Advanced Artists:** Even if you're already familiar with Procreate and character drawing, this class is tailored for you if you're looking to elevate your coloring skills.

Why Enroll in This Class?

From my experience, a firm grasp of color and shape fundamentals can elevate your artwork. This class is designed to eliminate the uncertainty surrounding color mixing and shape construction, allowing you to focus on what truly matters: creating resonating art. Join us on this creative journey to refine your skills and bring your character portraits to life!
