Inspiring Podcast Opener - AE Project VH-38885486: After Effects template to create an opening for a podcast, blogger report, or blog presentation. Get more traffic to your blog and make your blog more relevant and searchable, and also connect it with your target audience.

You can create your own photoblog, a health or travel or beauty podcast, or a lifestyle blog, or anything you require. Talk about your hobbies or profession, as well as your interests. Create compositions using horizontal and vertical videos.

The template is extremely convenient and versatile in use. It can be used on a variety of topics. You can set your colors using Color Control and the speed for the video, add your text, and then add your own music and font and you'll be able to create an opening that is based on your personal ideas and mood.

- Color control
- 4K
- Fast render
- 100% After Effects
- After Effects CC18 and above
- No plugins required
- Videos aren't included.
