Multicolor Typography for After Effects VH-50237406: Presenting Multicolor Typography, an exquisite template designed to infuse your logos with a retro touch through a collection of hand-drawn abstract scenes. Easily customize colors using convenient color controllers to create a truly unique design. Perfect for animated intros in games, cartoons, and designer showcases, this template enhances your artwork with gradient smoke, energy, and abstract animations alongside beautiful text animations.

Utilize Multicolor Typography to craft vibrant slides, add artistic touches, and infuse stylish calligraphy into your work, giving it a vintage shine. Elevate your designs with this template's captivating combination of gradient smoke, energy, and abstract animations, creating visually appealing and retro-inspired logos.

- 4k resolution for stunning visuals
- Logo placeholders and editable text layers for customization
- Full-color controls for easy adjustments
- Font links are included for seamless access
- Video tutorial included for user guidance
- Compatible with After Effects 2019 and above
