New Year And Christmas Garland With Logo is a great After Effects template using an animated camera that flies through A few garland and Christmas toys to show your emblem. It comprises 1 emblem Placeholder and one text placeholder. You can use the bright color Controller to alter the color of the logo text, garland, celebrities, and particles. A great introduction for your Christmas and New Year party invitations, Presentations, slideshows, promotions, and events movies. Enjoy the vacation Season with this wonderful AE template. A thorough video tutorial is also included. No Plugins required.
