Laptop Mockup Promo - AE Project VH-35002528: The most effective way to advertise your laptop or website This template! An innovative project to make promotional web pages or landing pages with modern style and with original motion design.

LAPTOP MOCKUP PROMO

Laptop Mockup Pro is a template that is suitable for demonstrating and advertising services, applications as well as websites, and their user interfaces using laptop computers (MacBook). The templates are ideal for videos, screenshots, and animations of any kind.

Additionally, you can make use of this project as an example of a mockup for your MacBook. Each scene is pre-rendered. For those who want to create video advertisements for a store on computers - simply apply this template!

Web promo is the continuation of the popular series and is completely designed within After Effects. It is a great way to advertise your brand new app or site! Simply drag a photo of the site into your screen's placeholders and then change your text, and then render.
