Digital Event Promo (Videohive 35172719) - AE Project

2025-02-10 17:15:44　　label 我要反馈　　下载页面

Digital Event Promo - AE Project VH-35172719: The After Effects template is perfect for creating events promotional such as conference promotions, an online forum, or even an event promotional. You can use it to promote an upcoming conference, exhibition, or digital meet-up.

The template comes with the required compositions for a promotional event. It's a modular layout that allows you to alter the sequence of the scenes as well as the length of the video.

Display your program's time program speakers subjects, ticketing system, registration, and ticketing.

- Easy to edit
- Color control
- Modular structure
- 4K
- After Effects CC18 and above
- No plugins required
- Help File is included
- Music, image, and font not included
