**Thiago Vibesp – Retro Metrolitan Cinematic LUTs:** The movies turned into the cinematic brown Rustic tones with higher contrast, ideal for indoor, outdoor, meeting, travel, town, holiday, landscape, social networking, weddings, writer, magazine, classic, interviews, vlogs, portrait movie from LOG and FLAT(Slog, Flog, Dlog, Cinestyle, Canon Log...)

- The package comprises 3 Retro Metropolitan LUTs
- Works inside Resolve // Adobe Premiere Pro / After Effects / Filmora // FCPX (using LUT Utility set up )
- LUTS were created to operate with RAW / LOG / FLAT gamma distance
- Also works with FLAT image profiles (SLOG // VLOG / etc)
