### FX POSITIVELY COMICAL VOCALIZATIONS, OBJECTS, AND NOISES

Can a cartoon become complete without proper sound (what could Road Runner be without his signature "beep-beep")? Many of you who are creatives requested that we provide the best audio quality that you require to **create characters and their worlds live**. Our answer? BOOM TOONS! SFX is finally on the way!

### for ANIMATIONS, STICKS, QUICK MOTION THEATRE, AND MUCH MORE

Do you want to see an old-fashioned vehicle blast its horn in a loud manner at people passing by, before the tires scream out into the sky? Your character leaps off an ocean cliff and then - up in the air, we can hear the tide rolling back, and she smashes down to earth? Perhaps your protagonist slips on an apple, then swoops in the kitchen, metal shatters bins rattle, and in epic style the stove blasts into flames! It doesn't matter how that is sounded. BOOM TOONS! SFX is present. We've got you covered.
