

All Photoshop Stamp Brushes Bundle (ABR, ASL, PDF)

2025-02-10 17:15:14 label 我要反馈 下载页面

The bundle comes with 12 items featuring a range of Photoshop brushes. The bundle includes modern stamps that are painted using ink, gouache, and watercolor, and acrylic. Each brush is unique in its texture, with tiny imperfections that are hand-painted. It is easy to alter the size of the brush, color, mixing mode, and rotation of the stamps. These brushes can be used for a variety of professional uses. Printing products, packaging, branding, and branding. Mix brushes with images and creates social media templates as well as contemporary collages. It is also possible to create stylish posters for your home in the blink of an eye!

WHAT DO YOU GET

The bundle only contains ASL and PNG files. ABR along with the ASL files from the following software (Procreate brushes, as well as PNG files, do not come with it)!

Note: You need Adobe Photoshop CS6 or greater for the use of these brushes. To apply the brushes, simply drag and drop the ABR file into Photoshop. There's a free trial for each brush set, but to locate it, please go through the description of the product you want to purchase by clicking the link above.

- It is compatible with Adobe Photoshop
