**Code Sounds Sounds Dark Ambience 2 WAV-FANTASTiC:** Code Sounds is proud to present Dark Ambience 2, an exciting and mind-bending sequel to the first and highly well-loved Dark Ambience sample pack. The latest library of sample libraries to be used in Film, Music, Trailers, and Game Audio is an exhilarating journey into the darkest reaches of dark and experimental sound design focusing upon Drones, Atmospheres, and FX!

Dark Ambience 2 features a premium sample library with 600 megabytes in dark ambient continuous loops and one-shots featuring FX tails. It includes ominous tones and sounds with intricate and multiple-layered drone atmospherics, changing noise shapes, alarms, and more—The complete layered sound, as well as each of the individual ambient layers. Producers can mix and match different layers with Key and Tempo information to create an endless variety of dark and eerie drones.

Additionally, there is an inspirational collection with 20 dark ambient FX features extended reverb tails, 12 Lo-Fi Ambient beats and stems that feature powerful thunderous kicks, awe-inspiring glitch hi-hats, and granular dusty snares as well as experimental percussion. Royalty-Free!

- Size of the pack 600 MB
- 171 Total Samples
- 115 BPM
- 24 Bit WAV
- 94 Total Multi-Layered Drones, Atmospheres, Noise
- 12 Abstract Ambient Beats
- (57 Beat Loop Stems with Kick Snare, Hats, and Kick Perc)
- 20 Dark Ambient FX
