Colored Paper Opener - AE Project VH-36688306: A variety of animated scenes in modern, minimalistic colors with title in color paper design. Ideal for creating openers, promos, intros, or even openers that are based solely on text. An innovative way to present facts or ideas that are important in a brief video.

Do you want to design trendy openers that are strong in typography and a fast intro or claps reel? You can use the Big Titles Typo Openinger template! Do you need to create an attractive, smart, and elegant opener, typographical promotional titles, or greeting cards for the title? This project will assist you! It is also suitable for creating videos for promoting protest meetings, political rallies, or other events with a strong and stompy style.

Create a vibrant and lively opening or intro to your typographic design with a stomping rhythm and unique motion design for your meeting or event in only just a few minutes!!

The Colored Opener template is a simple editable template that allows complete control over colors in just one click. Its universal expressions can help you utilize any language that is available in After Effects Software. PDF file that comes with assistance. Drop your image or video in the PDF file, modify the text, add the audio, and enjoy the end result!

- 1080p(1920x1080) resolution / 30 fps
