Typography Stories Pack - AE Project VH-35863384: It's easy to use. **After Effects** stories pack is simple to use: simply change the text, add your own media if required and you'll be able to enjoy the results. Add your images or videos to showcase your clothing, lifestyle, and creative portfolios or products for beauty. The stories can be customized to be used as a fashion-themed event promotion opener fashion trailer and travel videos, an introduction to your website or lookbook or invitation, or even a commercial. The pack contains 15 stories.

The trendy typography style with big text is attractive on TV screens and when you use social media. Make use of it to display your message in the most innovative manner and emphasize your messages in a variety of sizes, from large letters that take up the entire screen to small ones.
