Blind Audio Graviton Dubstep (WAV): Blind Audio brings you Graviton an extremely dense selection that includes Loops and Oneshots that will rock your next production to the heart. Discover a forward-thinking take on Dubstep loaded with the highest quality bass you'll ever require.

Graviton is ideal for any type of 140 dubstep, bass, Music, and more. It offers a wide range of fresh soundscapes that blend grimy synths and grizzled basslines with intense pads, tense ambiences, and pounding drums. It's a powerful sound that can bring your most recent projects to the highest level.

All loops are recorded at 140bpm, and within the Key of F#m. Combine and mix loops, or make them a part of your own sound to create something completely fresh. Blind Audio brings you only the most powerful sounds on the market. Drawing from a variety of sources, including classic digital and analog synths, real-world instruments, and top-quality field recordings.
