cartoon-like Make Up Brush Set

Animation-ish makeup Up brushes for the Procreate set by Alicjanai!

Contains:

A gloss brush is ideal for eye makeup and lipstick highlights.

A glow pen is additional that you can use to create an object that glows with various shades.

Freckles base is used to create a realistic freckles skin texture that you can apply separately or in conjunction using the "Freckles" brush.

Freckles provide the skin with gorgeous freckles. It also creates the design itself and is based on real freckles.

Matt Liner is perfect for a liner for the eyes or lips. Of course, it can be used in many different scenarios too.

Matt Lipstick is a noise effect brush that can work well as a matt lipstick. It can also be used for glossy lipstick if you add it with the "Gloss" brush on top.

Cartoon Effect Shadow/Light is handy for drawing cartoonish pieces It gives the cartoon sphere that comic character.

Eyeshadow is incredibly simple to use due to its pressure and opacity settings that make create the impression that applying real makeup on.

Rough Hair Brush is added to this set in order to provide it with more intriguing characteristics, as, unlike other hairbrushes that you've encountered, this one gives the rough look that is perfect for a wide range of curly hair.

Extra Smooth Edges Color is an extremely enjoyable brush to use since when it's the brush is pressed hard, it produces sharp edges. However, when it is lightly pressed it transforms into the shape of a blending brush.

Soft Hair Brush is a great option for hair that is not in good condition, coloring, or for adding highlights.

Sketchy Procreate Set of Brushes

This set includes 9 brushes ideal for all types of drawings. It lets you be completely at ease with your skills.

Basic Portrait Brush Set

This set of brushes contains all the brushes that I use most. I've been working on them for quite a while now and trying to find a simple and convenient brush set that will do all the work. The brushes will help you draw an almost realistic drawing quickly and simply.

平面设计 Photoshop

- Four brushes for skin, making it soft or/and matte (powder)
- There are four highlight brushes each one of them excellent in different settings
- Two textures brushes (one with hard and soft edges)
- A soft, subtle shadow brush
- One brush for shadows that is hard
- Two hairbrushes that I also use in other places to add texture
- One soft blending brush I use every time
