Epic Stock Media AAA Game Character Dragon WAV: AAA Game Character Dragon voice-over sounds are everything you could like to imagine and even more what a ferocious evil dragon sounds like. This sound pack provides a vast collection of distinctive phrases, voice-overs, scripted dialogue, and vocalizations that you won't get such a variety other than here! Let the sunset on your enemies ' pathetic existence break through the walls of your stronghold with blasts and fires and infiltrate the world of fantasy by slaying the King of the mountains.

EASY-TO-USE FILE FORMATS

The Dragon voice featured in this pack of sounds is ready to be played straight out of the box. However, it is sufficiently clear for further processing. The recordings are in 24bit/96khz .wav file format, giving the highest quality for serious audio editing, pitch shifting, and FX processing. All while maintaining a top-of-the-line level of clarity and accuracy. Reverb and pitch shifting downwards or upwards will give you crazy dimensions and depths to the voice!
