UNLEASH THE POTENTIAL OF MUERTE'S EXPERT PRODUCTION

Since launching his project in 2020, MUERTE has earned acclaim for his dark and immensely heavy sound. In just a few years, his tracks have rivaled those of top producers like Svdden Death and Marauda. Now, he's sharing his most potent samples, presets, and tools directly with your DAW.

Harness the same arsenal of sounds and tools that secured MUERTE releases on esteemed labels such as Malignant (Marauda), Cyclops (Subtronics), Disciple, Halcyon, and collaborations with industry heavyweights like Phase One. This is his largest sample pack to date, meticulously crafted to revolutionize your approach to producing Heavy Dubstep and Tearout.

Gain exclusive access to a 1-hour in-depth MUERTE tutorial, where you can witness him producing a track using the same tools included in the pack.

Producers are already hailing it as "one of the most powerful Dubstep sample packs ever seen," ensuring it will make waves in the scene and elevate your productions to banger after banger.
