What is BEAUTY PORTRAIT Lightroom Presets

"BEAUTY PORTRAIT Lightroom Presets" is likely to refer to a collection of filters or adjustments to Adobe Lightroom, a popular editing program for photos. These presets have been specifically created to improve and enhance portraits with an emphasis on improving the look of the subject's face, eyes as well and overall appearance.

The Lightroom presets are a set of pre-defined settings that are applied to images by one click. They are able to save photographers time by automatizing certain of the editing process and ensuring a consistent appearance across multiple images. "BEAUTY PORTRAIT Lightroom Presets" can include a variety of presets to adjust the color tone and sharpness, as well as exposure and many other settings to make portrait photos appear more appealing and pleasing to the eye.
