Jon & Janni Bundle Lightroom Preset Pack (Desktop)

2025-02-10 17:04:57　　label 我要反馈　　下载页面

This bundle includes the primary 16 presets in each of those of the Jon Janni and Jon Janni packs, each designed specifically for Adobe Lightroom. The presets are specifically designed for the RAW format, however we also include the phone's presets. There is no computer needed to run iPhone installation!
