下载页面

The Editorial Collection for Adobe Lightroom 4/5/6 & CC is now available.

The Editorial Collection targets fashion, beauty, and lifestyle photographers. This pack is designed to preserve natural skin tones and add subtle color toning throughout the image. It also includes contrast and light grains. We have found that they work well with images with neutral backgrounds.

Included:

- 20 Adobe Lightroom Presets
- Instruction Manual with links for Support Center

More details:

- Compatible with Adobe Lightroom 4, 5, 6, & CC
- Windows and OSX compatible
- Fully customizable presets
- Use Raw or JPEG images
