

Corporate Slides // History Timeline (Videohive 39199719) - AE Project

2025-02-10 16:49:48 label 我要反馈 下载页面

The **Corporate Slides // History Timeline** template offers numerous features, including compatibility with After Effects versions CS5.5 and above, full customization options, and support for Full HD 1080P & 720P resolutions.

How to design a corporate project with the ability to drag and drop in After Effects?

You can use "Woodland – Spooky Tones LIMITED Lightroom Presets Pack" to design your project.

It is designed for multi-purpose use, requires no additional plugins, and provides extensive control over colors. With 13 media placeholders and 33 text placeholders, it allows for seamless customization.

The project is organized efficiently, supports drag-and-drop functionality, and ensures fast rendering. Additionally, it includes universalized expressions compatible with any language and comes with comprehensive PDF assistance.
