## Instagram Package (Videohive 23177575) - AE Project:

Instagram pack is a general After Effects project that produces motion design for vertical videos as well as shorts and other kinds of content. Create your profile, and then the content will be available on any social media platform: Instagram, Youtube, TikTok, and many others.

The template is customizable to meet your requirements. Pick any color, and then alter it with just a few clicks. Upload a photo or video, alter text and you'll have an incredible design and look on your Facebook and Twitter.

- After Effects version 12 and up versions are compatible with
- 1080x1920 | 30 frames per second
- Modern & universal design
- Setting of variable
- Very quick render
- No plugins required
- Very easy to edit
- A complete help file is available.

### The package includes:

- Lower Thirds 10x
- The Next 8
- Transitions 10x
- Openings x4
- Social Networks x5
