

Blender Market - Assets Library Builder v2.0.5

2025-02-10 17:04:13 [label](#) [我要反馈](#) [下载页面](#)

Blender Market - Assets Library Builder is an efficient tool for creating asset libraries in Blender, streamlining the typically time-consuming and repetitive process.

like One-Click Build Assets, it automates thumbnail rendering for multiple assets. ALB2.0 includes Studio and Camera Angle Presets to showcase assets in the best light and from ideal angles, while still allowing manual adjustments. Additional tools like Set Origin to Bottom and a Batch Rename Tool further enhance workflow efficiency by simplifying object management and organization.
