# Bluebird Typography Opener (Videohive 35302500) - AE Project

2025-02-10 17:02:42 　label 我要反馈　　下载页面

Bluebird Typography Opener - AE Project VH-35302500: Bluebird Typography Opener, an After Effects template for creating a modern, elegant and vibrant intro. A smooth and fluid motion design is sure to grab the interest of your audience, quickly and effectively telling them about your company, event, or service. The site is extremely well-organized, easy, and user-friendly.

- Awesome Atmosphere
- High Definition Resolution (1920x1080)
- Full-Color Control
- Easy to organize and edit
- Very Rapid Render
- It works seamlessly with all After Effects language (Expressions Universalized)
- After Effects CS6 and above
- No plugins required
