#### Blue Ink Print Photo Effect - 234739012:

The "Blue Ink Print Photo Effect" allows you to create stunning, high-quality images with ease.

It uses Smart Object layers for full customization: just double-click the thumbnail to replace the placeholder image with your own, then save to see the effect.

The set includes two PSD files, with resolutions of 4500x3000 px and 3000x4500 px, both at 300 dpi. Adjustments can be made for final touches to achieve the desired look.
