The **Slideshow Character Letters for After Effects** (Videohive 50357819) offers a dynamic way to present media through animated letter slides culminating in a full-word reveal.

How to use templates to design an advertising project as a slide of moving letters in After Effects?

You can use "Slideshow Character Letters for After Effects" to design your project.

Ideal for presentations, promos, openers, or broadcast showreels, it adds a modern and stylish twist to your content. The template features 1920×1080 resolution, comprehensive color controls, included font links, and a step-by-step video tutorial. It is compatible with After Effects 2019 and above, allowing for easy customization and professional, attention-grabbing typographic videos.
