"In the Rain" contains 10 Photoshop actions and 70 overlays. If you want to add drama to your autumn photos, this set can be used as a photoshop action to create a rainy mood.

### ACTIONS

- High-quality effects
- It is non-destructive. The original layer of photos won't be altered.
- It's easy to edit.
- Click "Run all" to run all actions. This allows you to compare the effects and not have each one.

### OVERLAYS

- High Resolution 300 dpi
- JPEG 4500x3000px (15"x10")
- High-quality effects
- CS, CC, and PSE

### Included

- 5 Rainy Mood Activities
- 5 Rain Actions
- 20 Rain Overlays (JPEG high-resolution 300 dpi 3000x4500 pixels px).
- 30 Stormy Sky Overlays JPEG High Resolution 300 DPI 4500x3000 px
- 20 Rain Light Spot Overlays JPEG High Resolution 300 DPI 4500x3000px
- Instructions for installing and using actions
- This guide will teach you how to use sky-overlays and overlays.

### COMPATIBLE

- Photoshop CC English Version and Photoshop CS3 or Higher

### NOTES

- This collection requires some basic Photoshop knowledge.
- The effects of overlays and actions work differently depending upon the photo's characteristics (lightness/contrast, white balance, etc.). The original photo must be used.
- Digital products cannot be exchanged or returned. Make sure you're purchasing the right version.
