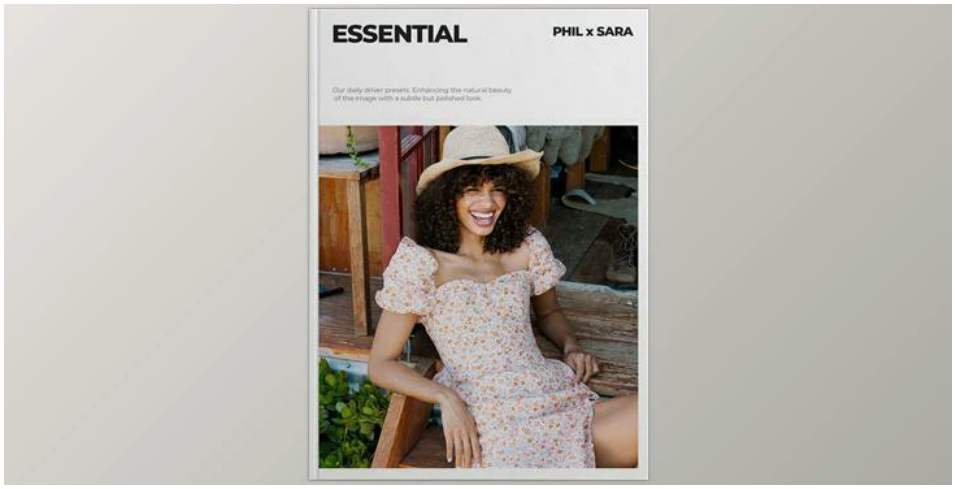
Phil x Sara – Essential Pack Presets

2025-02-10 16:43:47 label 我要反馈 下载页面



Phil x Sara – Essential Pack Presets: The current Lightroom preset pack was created with us, Phil Chester and Sara K Byrne. 16 unique and fresh presets that focus on embracing colors and increasing the natural appeal of an image. We wanted to create an application that could be used in a variety of ways and also wanted to achieve that filmy style. It's clean enough for photography in commercial settings yet timeless enough to be suitable for weddings.
