Realistic Mock Ups 4K - PR Project VH-37206091: The realistic mock Ups template.Pre-tracked and constructed space holders for various types of video content produced by using Premiere Pro. This video template is versatile in its use for brand products as well as design studio graphics and other types of content. It's well-organized and can be adapted to marketing campaigns. Gorgeous template with rotoscoped images that can be customized to display your logo or images in stunning 4K quality. The realistic mock Ups template is simple to personalize. It's perfect for engaging with viewers, advertising your content for brand promotion, or making it a part of video presentations to be featured on YouTube channels and Instagram or as a component of corporate video production.

The template is comprised of

- Premiere Pro CC project
- PDF Help file
- Photos and music are **not** included, and were intended for display purposes only!

- 4K Quality
- 10 Premiere Pro Modules
- Pre-tracked for custom space holders
- Ideal for editing as full framers
- Works with any kind of content, including photo or video
- No third party plugins
- Real-world footage
