2in1 App and Laptop Promo Isometric Colorful Style VH-38859666: The mockup project has 2 versions, and 2x8 isometric animation scenes that use mobile phones as well as laptops.

2IN1 App and Laptops PROMOTION ISOMETRIC COLORFUL STYLE

You can upload a picture or video clip of your web page or application's image page, service, or whatever you wish.

Templates that can be used to demonstrate and promotion of websites, applications, and services as well as their user interfaces for desktop computers (MacBook) and mobile phones' displays. The placeholders can be used for videos, screenshots, or any other animation.

The most effective way to advertise your application, or website on smartphones or laptops is to use this template! Innovative project for promotional websites or landing pages with a fresh and unique motion design.

Web promo is the continuation of the popular series and is fully built into After Effects. Ideal for promoting your latest app or site! Simply drag a photo of the site into those placeholders on the screen, then change the content and display.
