The NoamKroll.com Cinematic LUTs Arthouse Bundle comprises 12 strong looks which were constructed from the ground up to work with footage from just about any camera.

The LUTs included in your download package are .cube files, that's the industry standard file type for LUT management. In Addition to the LUTs, You'll Also receive a 4 page PDF guide that can Provide you directions for installing and utilizing the LUTs using DaVinci Resolve, Adobe Premiere Pro, Final Cut Pro X, Avid Media Composer, and Adobe Photoshop.

ARTHOUSE

Inspired by the colour palettes of a few of the very beautiful global art movies of all time, every seem included in this package is intended to bring a little subtle beauty to every shot that they touch. Several LUTs set a hot color balance with sudden contrast ratios to get a stunning, romantic appearance. Others provide a more modern artistic expression by providing subtle, natural colours that evoke a melancholic emotional undertone. Whichever look you decide to employ, you may undeniably discover exactly the exact same artful intention behind every and every one.
