Touch Loops Reflections of Jazz: Exciting news as Mazi makes a triumphant return to the Touch Loops roster (Interview available [HERE](#)). Known for his expertise in live instruments and jazz, Mazi presents jazz essentials with his latest creation - Rare 70's Library, a pack inspired by the cinematic vibes of the 70s.

Immerse yourself in the soulful jazz guitar loops, spring-driven percussion, and character-laden melodies featured in this 70s film-inspired pack. With over 150 loops meticulously performed, recorded, and mixed by Mazi himself, the authenticity of this collection is unmistakable. Explore a range of elements, including jazz guitars, lush electric piano samples, analog synths, and manipulated live string recordings, offering inspiration at every turn.

These royalty-free jazz samples breathe life into your projects. Whether you're into sampling, crafting film scores, or creating the next jazz hip-hop masterpiece, these meticulously recorded samples are the cure for writer's block and a gateway to expanding your sonic horizons.

Tailored for hip-hop, jazz, and soul, this pack is a versatile addition to your collection. Whether you're a jazz enthusiast, expanding your sonic palette, or captivated by the 70s film aesthetic, Rare 70's Library is a must-have. Download today and unleash your creativity!
