Nu.Wav itchytape lofi hip hop (WAV):

Crafted by the Lofi hip-hop artist duo itchytape, this pack seamlessly blends dreamy and melancholic melodies with robust beats, organic percussion loops, and whimsical one-shots. These soul-warming sounds breathe character into a wide array of musical styles, including hip hop, indie pop, reggaeton, and more.

Each recording possesses a distinct and unparalleled character, meticulously fashioned to invigorate your creative process. Notably, this pack prominently features the utilization of a rare Yamaha VSS-200 sampling keyboard dating back to 1988 and a vintage 1973 AKAI GX-210D tape machine. Additionally, you'll find enchanting flutes, toy pianos, petite percussion instruments, and even everyday household items in the mix. Every sample has been meticulously processed to deliver a sonically impactful experience.

In essence, this collection exudes a rich vintage and organic essence, offering an authentic analog grit to any project. With a harmonious blend of thoughtfully crafted loops and one-shots, primed for your experimentation, the possibilities are boundless when you dive into this pack!
