6 Neon Lights Lightroom Presets 6279448 (Mob, Desk): These presets have been specifically designed to appeal to those looking for neon sound. The pack was tested with hundreds of photographs. The presets are varied that have different tones, exposure, and other parameters. With these different options, it is possible to choose a preset that is suitable for you.

- 10 Mobile NEON Presets for NEON
- 10 Desktop NEON Presets
- 2 PDF Installation Tutorials
- It is important to note that the Commercial as well as the Extended Commercial licenses do not permit, or prohibit the re-sale and distribution of CVR Presets.
- Each preset has been tested on photos that are multiple. Be aware that all Lightroom presets function differently, as each photograph is different (color light, color the exposure, color, etc.) Make use of this preset to work with images. You can then make minor adjustments to find the optimal settings!
