**Countdowns & Timers Pack I MOGRT for PR VH-33696906:** Countdowns and Timers Pack I MOGRT - Premiere Pro's ultimate set includes more than 60+ high-quality templates for countdowns and countdowns. It also offers a lot of customization options.

Notification: Premiere Pro CC 2020 and higher versions are required

You can create an animated countdown or timer that lasts up to two hours. Select one of the time formats and set the duration. Then, specify which option you prefer: countdown or timer.

It's that easy! These templates are based on a single code and don't require any pre-rendered footage. You can make any modifications at any stage in the video production.

You can use a template that we have already created or you can create your own. You can change text, font settings and position.

**This package includes different categories:**

- Numeric
- Linear
- Rounded
- Solid
- Full Screen
  
- Code-based
- Auto Adjustable Animation and Holding Time
- Beautiful and Eye-Catching Design
- It's easy to use & customize
- All settings onboard, Essential Graphics Panel
- Neatly Organized Folder Structure
- Fully customizable
