3D Animated Objects Pack (Videohive 40371627) - AE Project

2025-02-10 17:11:44　　label 我要反馈　　下载页面

- 3D-illustrated objects
- No plug-ins required
- 8K, 4K, and HD elements
- An extension was added to allow you to browse and insert elements
- Easy color setting
- Make a beautiful scene using a variety of categorized objects.
- Every animated item is in high-quality resolution. You can take a close-up shot in 1080p and not lose quality.
- The typeface used for the demo is free.
- It is part of the Briskland 3D explainer, which can help to promote your business, products, and services with a unique package.
