Startapp To The Moon - AE Project VH-38958112: Startapp to The Moon is an awesome project that lets an aircraft with your logo takes off towards the moon, demonstrating the progress of your initial expansion company. Make your mark with these innovative animated templates for AE. No plugins are needed. It's so simple to use using a customizable logo that can be placed and a full-color control panel for color. A short intro or opening for your films trailers, commercials, and commercials teasers, TV shows commercials and new products, reviews, e-reviews as well as gaming video. Your audience will be impressed by this animated template for AE.

- Color Control
- 30 FPS
- No plugins
- Video tutorial included
