PopStar can be An After Effects template which includes two variations, 1 Instagram prepared, with A 1:1 aspect ratio along with a 4k 16:9 to get youtube or some other standard movie application. Both versions include an Enjoyable text and picture opener along with a beautiful Slide series with intro and outro. The customization Is Actually easy with simple Color controls along with a coordinated modular arrangement.

Produce Good promos, including the last touch to a presentation, produce a preview, and More utilizing this great template. In Case You Have any questions feel free to send me a message via my own profile page.
