Mastin Labs - Portra Original Pack for Capture One Pro: Introducing the Mastin Magic Toolkit, crafted to effortlessly capture the beauty of natural light portraits. This versatile toolkit is tailored for various photography genres, including family, fashion, and fine art. Utilize our Portra Original Styles for Capture One to achieve impeccably clean, warm tones with a hint of depth, resulting in radiant skin tones that elevate your portraits.

Our comprehensive product not only provides Portra Original Styles but also includes bonus tutorials for a seamless start and the time-saving Mastin 3-Step Workflow. Additionally, benefit from lifetime updates and support, ensuring a convenient and long-lasting experience.

- Portra Original Styles for Capture One deliver clean, warm tones
- Ideal for natural light portraits, families, fashion, and fine art
- Compatibility with all camera brands and raw formats

Installation & System Requirements:

- Minimum software version: Capture One 20
- Minimum OS version: MacOS 10.13 (High Sierra), Windows 8.1 (64-bit), or Windows 10 version 1511 (64-bit)

Effortlessly elevate your portraits with the Mastin Magic Toolkit, ensuring consistently professional results every time.
