

Meridian Presets NATURA PRESETS

2025-02-10 16:46:17 [label](#) [我要反馈](#) [下载页面](#)

Natura Presets are inspired by the natural world. Warm skin tones, vibrant colors, and an old-fashioned feeling transform your photos frequently with just one click. There are cool and warm variants of the same preset which you are able to alter by using the tools available. The collection is rich and flexible in terms of color, with both cool and warm greens. The Natura presets are great for outdoor portraits and landscapes as well as vibrant images that need a more polished appearance.

WHAT'S INCLUDED?

The Natura set by Megan Loeks includes a total of twenty colors pre-sets. Additionally, it comes with a toolkit to manage various options. A mobile-friendly version of somber Lightroom presets is not equipped with the toolset.

What software do I NEED TO USE?

The minimum requirements for running our dark Lightroom presets are Adobe Lightroom Classic CC, 6, 5, and 4. Adobe Photoshop Camera Raw CC and Adobe Photoshop Camera Raw CC &. We recommend making use of our presets using the latest versions, but. For our mobile-friendly presets you'll need Lightroom Mobile. Lightroom Mobile application.

How do I install PRESETS?

It is easy to make use of our installer program when you sign up for your account with Meridian while you are checking out. If you're checking in as a guest you can follow the installation guide that will be included with your download. It also includes the Lightroom Mobile installation.
