### What is FilterGrade – Jhonson Desktop and Mobile Lightroom Preset Bundle?

FilterGrade - Jhonson Desktop and Mobile Lightroom Preset Bundle is a collection of presets designed for use with Adobe Lightroom. There are ten presets included in the bundle. Presets are pre-defined settings that you can apply to your photos in Lightroom, offering a quick way to achieve a particular look or style.

Presets like these are popular among photographers, content creators, and individuals who want to achieve a cohesive and professional look across their photos without spending a lot of time on manual adjustments.
