Wedding Invitation For After Effects VH-51915432: This versatile template includes three size versions: Horizontal (1920×1080), Square (1080×1080), and Vertical (1080×1920), ensuring compatibility with various platforms and formats. You can easily customize the transform and full-color controls to match your preferences.

The template is made with After Effects CC 2022 and above, and it features universal expressions for seamless usage across different languages. A comprehensive video tutorial is included to guide you through the customization process. Plus, the project is well-organized for easy navigation. Best of all, no plugins are required to use this template.
