Eco Promo (Videohive 38814536) - AE Project: After Effects template to create a promotional piece on environmental protection, catalog for cosmetics or healthcare as well as a YouTube or TV channel blog about environmental issues.

Make use of this template for broadcast and social media design for TV to create a vibrant and stylish video that features cool transitions and contemporary titles with typography. We have infused them with simple typography, extra big font size as well as bold graphics for text along with the smooth motion. You can personalize it using any type of font.

The template is easy to use and adaptable in its use. You can use it for a wide range of subjects. You can set your colors using Color Control and the speed for the video, then add your text, and then add your logo music and font and you'll get promotional that is based on your personal idea and style.

- Color control
- Full HD and 4K
- Fast render
- 100% After Effects
- After Effects CC18 and above
- No plugins required
- Videos aren't included.
