MotionVFX – mStories v1: 50 Social Media Stories Plus 20 Add-ons for Final Cut Pro.

MStories has a vast array of stylizations that can help it stand apart from the rest of the accounts that are similar to yours.

Social media has been a significant aspect of our lives and companies, and our image heavily depends on how we portray ourselves online. The launch of the "stories" feature has inspired us to develop some incredible motion graphics that will give your content a style that will not leave anyone left unattended!

- Select the best format that meets your requirements
- A wide range of styles
- Diversify your feeds and attract more attention to your posts on social media.
- A powerful boost to your online image
- Technical specifications
- The macOS required software is macOS 10.13.6,
- Motion 5.4.3 or Final Cut Pro 10.4.6
- This includes 50 plus 20 FCP titles
